This warning has been timely: Watch your hallots and see that they are unmarked. There is a Goebelite scheme to steal Tuesday's election and all ways to do the work will be tried. A marked ballot is not a legal vote. See the point.

Sam Houston as a legislator from McCracken county would be an lonor to the county and the state. He is a man of discretion and brains, honest and honorable, an experienced lawyer, not be worth the while for them lareand therefore competent to nake laws. The legislative halls in equity of any and all kinds would find in him a hitterfoe, and this is what the people want and for him they should vote. Don't waste your votes on any other man and live to regret it always.

The Goebel election law is a legal provision for illegal election, as paradoxical as it may seem. It metters not who the Governor is, he is our Governor and he is also your Governor, and as we all have the same Governor, there is no reason why we should not all fare alike. But, if you want to know who governs LOW PRICE's and HONEST VALUES on up-to-date CLUTHING, HIMS, HIRNISHINGS, DRY GUODS, etc., we mvite you to come to our store on a trip of inspection. We flaster ourselves with this governorship of low prices, etc., and it will be a pleasure to us to have those who have any doubt, as well as those who have rone, to call and convince themselves. We ask you however, to review the following prices on the few articles herein mentioned, though you cannot realize their 'ull value without seeing
